Student Feedback Analysis

Academic Year: 2021-22

Attended By: CSE 4-2 (Section A), CSE 4-2(Section B), CSE 3-2 (Section A), CSE 3-2(Section B), CSE 2-2(Section A), CSE 2-2(Section B)

Total number of response(s): 208

STUDENT FEEDBACK FORM ON CURRICULUM

* Required

1. How much of the syllabus was covered in the class? *

Mark only one oval.

- Strongly agree / Excellent
- Agree / Very good
- Neutral / Good
- Disagree / Fair
- Strongly disagree / Poor

2. How well did the teachers prepare for the classes? *

Mark only one oval.

- Strongly agree / Excellent
- Agree / Very good
- Neutral / Good
- Disagree / Fair
- Strongly disagree / Poor

3. How well were the teachers able to communicate? *

Mark only one oval.

- Strongly agree / Excellent
- Agree / Very good
- Neutral / Good
- Disagree / Fair
- Strongly disagree / Poor

Feedback Report and Action taken Report on Curriculum

The feedback is collected from all the stakeholders - Students by all the Departments independently. The respective Department Academic committee reviewed the feedback and after deliberations, the committee has prepared a report and submitted. To incorporate the possible suggestions to revise the curriculum. The Program Academic Council in turn has approved the curriculum for the academic year 2021-2022.

The consolidated feedback and the action taken report are summarized as follows:

Table 1: Student feedback and action taken:

S. no	Feedback	Action Taken
1	Modern content delivery methods should be used.	All the class rooms are equipped with ICT tools with faculty ensuring maximum use of it.
2	Students should be provided with course related information well advance before the commencement of the classes.	Students are provided with Course Description, in Course Overview, Course Outcomes and mapping of COs with POs at the beginning of the class work and all the course instructional material is shared with the students through Google form.
3	Professional society activities to be conducted	Students were made members of various professional societies like ISTE, IETE, IEEE, CSI and etc. Various activities and invited talks were conducted under these professional societies. All the events are recorded in the respective Departments.
4	More practical orientation in TLP	More emphasis is given to introduce practice Oriented TLP and the students are encouraged to pursue course-end projects.
5	Exposure to experiential learning	Introduction of min-projects, major projects and internships, field projects and field visits.
6	Few learners wanted more provision to be made for self- learning.	Library and Laboratories kept open for learners to use beyond contact hours. Facilitated peer learning opportunities by allowing them to use institutes resources beyond contact hours.
