## ABOUT DEPARTMENT

### Vision

Training the students to become well disciplined and knowledgeable in the field of Computer Science and Engineering

### Mission

Department mission is to become pioneer in higher learning and research and to produce creative solutions to societal needs. To provide excellence in education, research, public service. The department has full fledged faculty members with experience in industry and teaching, which leads the students to get employment in the market. The department encourages the faculty members and the students to participate in paper presentations, seminars, workshops and National and International conferences

### About The Program

In this one week hands on session on MATLAB Programming will impart the students about the knowledge on hands on experience in using mat lab and programming in the mat lab. The session aims at providing knowledge in writing robust, efficient and well organized mat lab code for programs. These concepts form the basics for writing the full applications program developing algorithms and extending built in MAT Lab capabilities. Details of Performance optimization, as well as tools for writing, debugging and profiling coding are covered in this session.

## CERTIFICATE PROGRAM CONTENTS

- Utilizing Developmental Tools
- Verifying Application Behaviour
- Creating Robust Applications
- Structuring Code
- Structuring Data
- Managing Data Efficiently
- Creating A Toolbox

### Who can Attend

UG, PG Students

### Important Dates

Early bird Registration: 04-09-2017

Late Registration: 09-09-2017

Confirmation Registration: 09-09-2017

On spot registration will not be entertained as the Number of participants is limited

## About College

Nagole Institute of Technology and Science has a sprawling campus and is well connected by road and easily accessible by both college and RTC buses. It has the unique advantage of being located in the heart of the city. It is situated 5 km from Nagole cross roads and 3 km from Hayathnagar. It is free from pollution and the hustle and bustle of the city. The experience at NITS is unique; studying here opens a door to a world of opportunities. The college has well-designed, adequately furnished, ventilated and spacious classrooms. All the laboratories of Engineering and Sciences are well equipped with latest and sophisticated gadgets.

## Vision

Our vision is to be one of the nations premier educational institution by achieving the highest order of excellence in teaching and research.

## Mission

To serve the state, the nation and the world by producing talented, broadly educated engineers.

To impart quality technical education for students coming from both rural and urban areas.

To strive for student's achievements and success, preparing them for life and leadership.

To enable the students develop their personality to meet the challenges in global environment.
