## About College

Nagole Institute of Technology and Science has a sprawling campus and is well connected by road and easily accessible by both college and RTC buses. It has the unique advantage of being located in the heart of the city. It is situated 5 km from Nagole cross roads and 3 km from Hayathnagar. It is free from pollution and the hustle and bustle of the city. The experience at NITS is unique; studying here opens a door to a world of opportunities. The college has well-designed, adequately furnished, ventilated and spacious classrooms. All the laboratories of Engineering and Sciences are well equipped with latest and sophisticated gadgets.

## Vision

Our vision is to be one of the nations premier educational institution by achieving the highest order of excellence in teaching and research.

## Mission

To serve the state, the nation and the world by producing talented, broadly educated engineers.

To impart quality technical education for students coming from both rural and urban areas.

To strive for student's achievements and success, preparing them for life and leadership.

To enable the students develop their personality to meet the challenges in global environment.

## Chief Patron

### ABOUT DEPARTMENT

#### Vision

Training the students to become well disciplined and knowledgeable in the field of Electrical & Electronics Engineering

#### Mission

Department mission is to make innovative thinking engineers and to produce skilled Electrical engineers. The department of Electrical & Electrical Engineering has progressed with a strong determination to developing competent programs, uncompromising in standards. The department has full fledged faculty members with experience in industry and teaching, which leads the students to get employment in the market. The department encourages the faculty members and the students to participate paper presentations, seminars, workshops and National and International conferences.

#### About The Program

It is the certificate program conducted for the students to understand the importance of solar applications in the smart home purpose and their uses and also the utilization of the solar projects. It is applicable for the future reference in their carrer.

### CERTIFICATE PROGRAM CONTENTS

- Introduction to solar system
- Introduction to smart home system
- Introduction to solar in smart home
- Introduction to solar uses in other applications
- Features of solar system
- Applications of solar system
- Estimation cost of solar erection

#### Who can Attend

UG Students

#### Important Dates

Early bird Registration: 09-09-2017

Late Registration: 11-09-2017

Confirmation Registration: 11-09-2017

On spot registration will not be entertained as the Number of participants is limited

#### Address for Correspondence

**Mr. K. Sanju, Asst. Prof.**  
**Department of EEE,**

Nagole Institute of Technology  
& Science, Hyderabad

### ACTIVITY REPORT

Name of the Activity	solar and smart energy system	
Type of Activity	One week Certificate Program for students	
Date and Time of Activity	Sep-11 to Sep-16 (2017)	09.30am to 4.30pm
Details of Participants	Btech EEE students II,III year students (60 students)	
Coordinator(s)	K.Sanju	T.Gayathri
Organizing Dept./Support System	Electrical and Electronics department	
In collaboration with	HBL Power Pvt Ltd.	
Description	It is the Certificate Program conducted for the students to understand the importance of solar applications in the smart home purpose and their uses and also the utilization of the solar projects. It is applicable for the future reference in their carrer.
