About College

Nagole Institute of Technology and Science has a sprawling campus and is well connected by road and easily accessible by both college and RTC buses. It has the unique advantage of being located in the heart of the city. It is situated 5 km from Nagole cross roads and 3 km from Hayathnagar. It is free from pollution and the hustle and bustle of the city. The experience at NITS is unique; studying here opens a door to a world of opportunities. The college has well-designed, adequately furnished, ventilated and spacious classrooms. All the laboratories of Engineering and Sciences are well equipped with latest and sophisticated gadgets.

Vision

Our vision is to be one of the nations premier educational institution by achieving the highest order of excellence in teaching and research.

Mission

To serve the state, the nation and the world by producing talented, broadly educated engineers.

To impart quality technical education for students coming from both rural and urban areas.

To strive for student's achievements and success, preparing them for life and leadership.

To enable the students develop their personality to meet the challenges in global environment.

ABOUT DEPARTMENT

Vision

Training the students to become well disciplined and knowledgeable in the field of Electrical & Electronics Engineering

Mission

Department mission is to make innovative thinking engineers and to produce skilled Electrical engineers. The department of Electrical & Electrical Engineering has progressed with a strong determination to developing competent programs, uncompromising in standards. The department has full fledged faculty members with experience in industry and teaching, which leads the students to get employment in the market. The department encourages the faculty members and the students to participate paper presentations, seminars, workshops and National and International conferences.

About The Program

It is the certificate program for the students to know about the bus bar system and different types of busbars in power sector and the arrangements of the busbars in the substation and the generating stations and also the types of faults in the power sector and how to identify the fault and protection of busbar system

CERTIFICATE PROGRAM CONTENTS

- Introduction to bus bars
- Introduction to faults
- Introduction to fault identification
- Introduction to scheme of bus bars
- Bus bar arrangements
- General faults occurs in bus bars
- Fault identification in bus bar system
