

## About College

Pallavi Engineering College has a sprawling campus and is well connected by road and easily accessible by both college and RTC buses. It has the unique advantage of being located in the heart of the city. It is situated 5 km from Nagole cross roads and 3 km from Hayathnagar. It is free from pollution and the hustle and bustle of the city. The experience at PEC is unique; studying here opens a door to a world of opportunities. The college has well designed, adequately furnished, ventilated and spacious classrooms. All the laboratories of Engineering and Sciences are well equipped with latest and sophisticated gadgets.

## Vision

To emerge as a global leader in imparting quality technical education emphasizing ethical values for the betterment of the society.

## Mission

To create an excellent teaching learning environment and inculcate the aptitude for research.

To establish centers of excellence through collaborative initiatives.

To empower the student community by developing creativity and innovation

## ABOUT DEPARTMENT

### Vision

The vision of the CIVIL Engineering Department is to provide education for those students who are able to compete internationally, able to produce creative solutions to the society's needs, conscious to the universal moral values, adherent to the professional ethical code, and to generate and disseminate knowledge and technologies essential to the local and global needs in the field of Civil engineering

### Mission

The mission of the CIVIL Engineering Department is to give the nation qualitative Civil Engineers, who can contribute for the construction of a better world with sophisticated infrastructural facilities, eco friendly houses, modern transportation facilities with a pollution free environment and to protect the precious natural resources of this planet. To mould the students into good entrepreneurs and to promote self confidence and all-round development of the student personality through special lectures, practical training programs, field visits and technical seminars. To generate a knowledge base through sustained research and developmental efforts. To promote faculty development programs for updating knowledge and improving their overall professional competence and caliber

### About The Program

During this period students were able to understand what construction technology is and what are the design tools that are using are in present technology. Students were able to get knowledge about the innovative design courses.

## CERTIFICATE PROGRAM CONTENTS

- Introduction to total station
- Model Generation
- Property Assignment
- Load and load generators
- Beam Analysis

## Department of Civil Engineering Activity Report

Name of the Activity	Hands on training on “Hands on Training on 3D’s Max”	
Type of Activity	One week Certificate Programme for students	
Date and Time of Activity	7.12.2020 to 12.12.2020	10:00 AM TO 4:30 PM
Details of Participants	55 Students from civil 3 <sup>rd</sup> & 4 <sup>th</sup> year B.tech	
Coordinator(s)	Mrs L Mounika	MsP Mounika
Resource person	Mr. Dharmabiksham	
Description	<p>The Certificate Programme started with an inaugural function welcoming chief guests Dr. Dharma Biksham After addressing the gathering by eminent persons, the session started with introduction to Basics of 3D’S Max. In the afternoon it was complete hands on session on the topics discussed in the morning session. The workshop included with contents like introduction to Introduction to structural design, overview design software.</p> <p>During this period students were able to understand what is all about, its importance in civil structural designs and in analysis of structure.</p> <p>Valedictory session was held after successful completion of the workshop. Feedback was taken from students in both oral and written form.</p>
