About College

Pallavi Engineering College has a sprawling campus and is well connected by road and easily accessible by both college and RTC buses. It has the unique advantage of being located in the heart of the city. It is situated 5 km from Nagole cross roads and 3 km from Hayathnagar. It is free from pollution and the hustle and bustle of the city. The experience at PEC is unique; studying here opens a door to a world of opportunities. The college has well designed, adequately furnished, ventilated and spacious classrooms. All the laboratories of Engineering and Sciences are well equipped with latest and sophisticated gadgets.

Vision

To emerge as a global leader in imparting quality technical education emphasizing ethical values for the betterment of the society.

Mission

To create an excellent teaching learning environment and inculcate the aptitude for research.

To establish centers of excellence through collaborative Initiatives.

To empower the student community by developing creativity and innovation

ABOUT DEPARTMENT

Vision

Training the students to become well disciplined and knowledgeable in the field of Electrical & Electronics Engineering

Mission

Department mission is to make innovative thinking engineers and to produce skilled Electrical engineers. The department of Electrical & Electrical Engineering has progressed with a strong determination to developing competent programs, uncompromising in standards. The department has full fledged faculty members with experience in industry and teaching, which leads the students to get employment in the market. The department encourages the faculty members and the students to participate paper presentations, seminars, workshops and National and International conferences.

About The Program

It is the programme which is related to the industrial Accidents and major precautions to be taken by the person who handle the entire plant he has to know the types of hazards in industry like electrical, fire, chemical, operational hazards and safety devices like fire alarms and fire fighting equipments, safety measurements and danger boards at panel and other hazard equipments.

CERTIFICATE PROGRAM CONTENTS

- Introduction on hazards
- Introduction on types of hazards
- operational and electrical hazards
- fire fighting equipments
- operation of fire fighting apparatus
- safety precautions in industry
- identification of hazards and safety steps

Who can Attend

UG & PG Students

Important Dates
