## ABOUT THE INSTITUTION

Pallavi Engineering College (NITS) established in the year 2009 under the Aegis of Potla Shanthi Educational Society, is dedicated to studies in Engineering discipline with supporting educational environment. The society aspires to provide quality technical education with global standards. NITS is founded by a group of academicians and industrialists who are known for achieving result in their respective field. The management aims to explore the new ways to motivate learners, make use of new learning styles, introduce multiple intelligent practices and integrate learning. The institution encourages innovative thinking that makes teaching and learning effective with excitement. PEC has the unique advantage of being located in the heart of the city. It is situated 5kms from Nagole X road and 3kms from Hayathnagar. It is free from pollution and away from the hustle and bustle of the city.

## ABOUT THE DEPARTMENT

The Humanities and Sciences was established in the year 2009 to cater the needs of the students. Excellent and Dedicated faculty adding to its strength. The Department has large and spacious laboratories with a congenial ratio of student to equipment. They get to work, hands-on and get real-time experience under the guidance of the highly accomplished faculty. The department aims to achieve higher levels of glory in the years to come. The students acquire interpersonal and communication skills from the Science & Humanities Association and promote their professional skills through societies.

## ABOUT THE CONFERENCE

One Week Certificate Program on "Signal Processing" How to manipulate information content signal to facilitate Automatic Speech Recognition(ASR).ASR extracts information from the speech signals and then translates it into recognition .

The conference topics include steps in signal processing, Meaning of signal Processing, Power and energy, windowing, fourier transfere methods, convolution, filtering and liner systems.

## COURSE CONTENTS

- \*What do you mean by signal Process?
- \*Steps to signal Process?
- \*Digital Signal Process?
- \*Types of Signal Processing?
- \*What are the three types of Signal Processing?

## ELIGIBILITY

- ✓ Students and Faculty members from All AICTE Recognized Engineering Colleges
- ✓ R&D Organizations
- ✓ Industry personnel

The Registration fee has to be paid through Demand Draft (DD) drawn in favour of

	<p>The Department of H&amp;S has conducted One Week Certificate Program on" SIGNAL PROCESSING".</p> <p>The Resource Persons is Dr.V.ANIL KUMAR professor in Computer Science. As previously mentioned, signal processing condenses measurements to extract information about some distant state of nature. Signal processing can be described it is a tool to turn measured signals into useful information.</p> <p><b>Signal processing</b> is involved in picking up sounds in the environment, and processing them to enhance and amplify what the wearer hears.The session is ended with the Hands on session,question and answer.And finally the session is ended with the validectrorey.</p>

**From:** 29-5-2021 **To:** 4-6-2021

### ASSESSMENT PROCEDURE

- The assessment is based on the student attendance for the certificate program i.e. >75%
- Student practical knowledge is tested by interaction.
- Based on the viva voce taken by speaker of the event.
- Overall evaluation is based on their topic doubts prediction, which could be research based.

### OUTCOME OF THE SIGNAL PROCESSING PROGRAM

29-5-21 TO 4-6-2022

- Students are Understand the Definition Signal Process
- Students are easily Understand the Automatic speech recognition (ASR)
- Students easily translate Signal and then translates it into reorganization process
- Students are learn How to transfer information content
- Students are easily Modifying and Synthesizing signal Process
- Students are easily identified Sounds, images how to transfer Process
- Student understand the concept of Digital signal process
- Students easily adopt Signal process use & Applications in Engineering.
