Pallavi Engineering College has a sprawling campus and is well connected by road and easily accessible by both college and RTC buses. It has the unique advantage of being located in the heart of the city. It is situated 5 km from Nagole cross roads and 3 km from Hayathnagar. It is free from pollution and the hustle and bustle of the city. The experience at PEC is unique; studying here opens a door to a world of opportunities. The college has well designed, adequately furnished, ventilated and spacious classrooms. All the laboratories of Engineering and Sciences are well equipped with latest and sophisticated gadgets.

Vision

To emerge as a global leader in imparting quality technical education emphasizing ethical values for the betterment of the society.

Mission

To create an excellent teaching learning environment and inculcate the aptitude for research.

To establish centers of excellence through collaborative Initiatives.

To empower the student community by developing creativity and innovation

ABOUT DEPARTMENT

Vision

Mechanical Engineering On the trail of an admirable vision relaying on the power of technology. Striving for "Leading Edge", setting standards of excellence yet focused on adding quality to human life; We expand the reach of technology and information through innovation and invention.

Mission

Department mission is to create an innovative and knowledge-based society through concurrent teaching practices in mechanical engineering. Its highly qualified and experienced faculty and staff work with dedication and motivation. The department keeps in mind the ever changing challenges of modern day industry and its commitment to produce knowledgeable and responsible mechanical engineers fully aware of the tasks ahead.

About The Program

The workshop included with contents like assembling and dismantling of four stroke and two stroke engines and clear understanding mechanisms involved in engines and applications.

CERTIFICATE PROGRAM CONTENTS

- Assembling and Dismantling of four stroke engines
- Assembling and Dismantling of two stroke engines
- Mechanisms involved in engines
- Types of Engines
- Purpose of application

Who can Attend UG, PG Students

Description	<p>One week Certificate program on was organized by the Department of MECH on "Enginemia". The Resource Person is Mr. Yoga Nathan, Senior Executive, Cotton Greaves Limited.</p> <p>The Program started with Introduction of speakers, Welcome song, Lighting of Lamp and felicitation of Guests of the day.</p> <p>The contents of the program started with introduction to ENGINEMANIA. In the afternoon it was complete hands on session on the topics discussed in the morning session. The workshop included with contents like different types of engines like internal combustion and external combustion engines etc., and their uses.</p> <p>During this period students were able to understand the workshop on engines and were benefitted with a clear understanding of mechanisms involved in engines..</p>	

Valedictory session was held after successful completion of the workshop.
Feedback was taken from students in both oral and written form.
