ABOUT COLLEGE:

Nagole Institute of Technology & Science has a sprawling campus and is well connected by road and easily accessible by both college and RTC buses. It has the unique advantage of being located in the heart of the city. It is situated 5 km from Nagole cross roads and 3 km from Hayathnagar. It is free from pollution and the hustle and bustle of the city. The experience at NITS is unique; studying here opens a door to a world of opportunities. The college has well-designed, adequately furnished, ventilated and spacious classrooms. All the laboratories of Engineering and Sciences are well equipped with latest and sophisticated gadgets.

Vision:

Our vision is to be one of the nations premier educational institution by achieving the highest order of excellence in teaching and research.

Mission:

To serve the state, the nation and the world by producing talented, broadly educated engineers.

To impart quality technical education for students coming from both rural and urban areas.

To strive for student's achievements and success, preparing them for life and leadership.

To enable the students develop their personality to meet the challenges in global environment.

ABOUT COLLEGE:

Nagole Institute of Technology & Science has a sprawling campus and is well connected by road and easily accessible by both college and RTC buses. It has the unique advantage of being located in the heart of the city. It is situated 5 km from Nagole cross roads and 3 km from Hayathnagar. It is free from pollution and the hustle and bustle of the city. The experience at NITS is unique; studying here opens a door to a world of opportunities. The college has well-designed, adequately furnished, ventilated and spacious classrooms. All the laboratories of Engineering and Sciences are well equipped with latest and sophisticated gadgets.

Vision:

Our vision is to be one of the nations premier educational institution by achieving the highest order of excellence in teaching and research.

Mission:

To serve the state, the nation and the world by producing talented, broadly educated engineers.

To impart quality technical education for students coming from both rural and urban areas.

To strive for student's achievements and success, preparing them for life and leadership.

To enable the students develop their personality to meet the challenges in global environment.

Description	<p>Nagole Institute of Technology and Science organized a one day workshop on KOHA and Library Automation Conducted by IIT Bombay, Mumbai in association with NMEICT, MHRD and Ministry of Culture, Govt. of India. 10 members attended this workshop from surrounding engineering and PG colleges, Schools and Research Institutions.The workshop was Conducted by IIT Bombay in The program was initiated by Prof. KannanMoudgalya from IIT Bombay, the resource persons well explained about Koha and Library Automation This workshop conducted using Spoken Tutorial methodology. Participants learned 'Koha' by listening to Spoken Tutorials and practicing them on live 'Koha' software. Koha supports all library housekeeping activities such as Acquisition, Cataloguing, Circulation, Serial Control, Patron Management, and OPAC. It also supports Web 2.0 tools. Thus, Koha can be readily configured to the needs of each library and is updated with new features frequently. The session also covered with many Real time examples. The Workshop was concluded with valedictory session where the Coordinators</p>

In collaboration with	Prof. Sridhar Iyer IIT Bombay ESOS, NMEICT, MHRD.	
Description	<p>NAGOLE INSTITUTE OF TECHNOLOGY AND SCIENCE organized a Program called “Pedagogy for Online and Blended Teaching-Learning Process - Autumn 2018”, Conducted by, IIT Bombay, Mumbai in association with ESOS, NMEICT, MHRD. Principal Prof. Dr. N. Satyanarayana had emphasized the importance of Online educational methodology, and flipped-classrooms with associated pedagogy of active learning, have quickly emerged as the mainstay of effective education in this century. However, most of our teachers lack skills and competencies for proper and effective use of ICT in education. It is thus an urgent national requirement that all our teachers, at least those teaching in our professional colleges, are empowered to use technology effectively, to enhance the quality of education. Around 21 faculty members from various engineering colleges had completed this Training Programme successfully. Dr. Srinivasa Reddy worked as remote centreco-ordinator, Mr. D. Rupa Kumar worked as workshop co-ordinator.</p>

The major topics covered are:

1. Information Capture, Storage, and Display

Subsystems of Computer Devices for Capture

- Keyboard, Monitor, Printer, Webcams, Mouse, Hard disks
- Tablets and Smart Phones Servers,
- Cloud, Storage Farms, CD/DVD, Pen Drive

Effective Storage and Display

Directory Organization and File Handling

Dealing with Multiple Information format

Organizing and Searching

2. The World of Internet and Web

Essentials

- Basics of Connectivity, LANs and WANs, Wireless and Bluetooth
- Organization of Web, IP Address, Domain Names, DNS Servers
- Browsers and Plug-ins

Effective Exploration of Web

Searching Techniques

Best Practices for Exploration

3. Use of ICT for Resource Creation and Management

Digital Content Creation using common productivity tools

- Document Editors
- Presentation Software
- Spreadsheets

Audio-Video Resource Creation: Spoken Tutorial Methodology

Content Management Systems

Learning Management Systems

4. Best Practices for Information Dissemination with ICT

Best Practices for Visual Communication

Best Practices for Online Collaboration

- ICT as a facilitator for academic ethics and Integrity
- Creative Commons Licensing
- Netiquettes for effective email communication

NAGOLE INSTITUTE OF TECHNOLOGY & SCIENCE
(Approved by AICTE, New Delhi, Affiliated to JNTUH, Hyderabad)

- o Practices for engaging in a healthy online discussion
Facilitating collaborative resource creation and evaluation for online usage.

ABOUT COLLEGE:

Nagole Institute of Technology & Science has a sprawling campus and is well connected by road and easily accessible by both college and RTC buses. It has the unique advantage of being located in the heart of the city. It is situated 5 km from Nagole cross roads and 3 km from Hayathnagar. It is free from pollution and the hustle and bustle of the city. The experience at NITS is unique; studying here opens a door to a world of opportunities. The college has well-designed, adequately furnished, ventilated and spacious classrooms. All the laboratories of Engineering and Sciences are well equipped with latest and sophisticated gadgets.

Vision:

Our vision is to be one of the nations premier educational institution by achieving the highest order of excellence in teaching and research.

Mission:

To serve the state, the nation and the world by producing talented, broadly educated engineers.

To impart quality technical education for students coming from both rural and urban areas.

To strive for student's achievements and success, preparing them for life and leadership.

To enable the students develop their personality to meet the challenges in global environment.
