Description	<p>The IPR CELL Unit of Nagole Institute of Technology & Sciences had conducted a seminar on "How to File a Patent". The workshop began at 10:30 AM. Ms.FlorancePasula headed the seminar talked on the procedure of filing of patent and applying for patent to know where to apply. Patent rights are granted by national patent offices, and patent protection for an invention must be sought in each country individually. Indian law of patent was Enshrined in the patent Act, 1970. The Act seeks to provide for legal protection for invention. The rights granted under the Act, were operative whole of India and also she discussed on benefits of patents like shop re-invention of re-inventing the wheel, to know what has already patented, patent a collaboration/money/farm/name etc..The workshop concluded at 4:00 pm.</p>

ABOUT COLLEGE:

Nagole Institute of Technology & Science has a sprawling campus and is well connected by road and easily accessible by both college and RTC buses. It has the unique advantage of being located in the heart of the city. It is situated 5 km from Nagole cross roads and 3 km from Hayathnagar. It is free from pollution and the hustle and bustle of the city. The experience at NITS is unique; studying here opens a door to a world of opportunities. The college has well-designed, adequately furnished, ventilated and spacious classrooms. All the laboratories of Engineering and Sciences are well equipped with latest and sophisticated gadgets.

Vision:

Our vision is to be one of the nations premier educational institution by achieving the highest order of excellence in teaching and research.

Mission:

To serve the state, the nation and the world by producing talented, broadly educated engineers.

To impart quality technical education for students coming from both rural and urban areas.

To strive for student's achievements and success, preparing them for life and leadership.

To enable the students develop their personality to meet the challenges in global environment.

ACTIVITY REPORT

Name of the Activity	One day Research ON KOHA AND LIBRARY AUTOMATION	
Type of Activity	Co-curricular	
Date and Time of Activity	09-03-2019	10am to 5:00 pm
Details of Participants	40	
Coordinator(s)	Prof. Kannan Madgulya, IIT, Bombay	V. PIANEENDRA KUMAR
Organizing Dept./Support System	IIT BOMBAY	
In collaboration with	IIT,BOMBAY,NMEICT,MINISTRY OF CULTURE,GOVT.OF INDIA	
Description	<p>In association with IIT BOMBAY, NAGOLE INSTITUTE OF TECHNOLOGY AND SCIENCE organized a one day workshop on KOHA and Library Automation Conducted by IIT Bombay in Mumbai association with NMEICT, MHRD and Ministry of Culture, Govt. of India. Members participated from various engineering and PG colleges, Schools and Research Institutions from throughout India. The workshop was Conducted by IIT Bombay in The program was initiated by Prof. Kannan Moudgalya from IIT Bombay, the resource persons well explained about Koha and Library Automation This workshop conducted using Spoken Tutorial methodology. Participants learned 'Koha' by listening to Spoken Tutorials and practicing them on live 'Koha' software. Koha supports all library housekeeping activities such as Acquisition, Cataloguing, Circulation, Serial Control, Patron Management, and OPAC. It also supports Web 2.0 tools. Thus, Koha can be readily configured to the needs of each library and is updated with new features frequently. The session also covered with many Real time examples. The Workshop was concluded with</p>

ABOUT COLLEGE:

Nagole Institute of Technology & Science has a sprawling campus and is well connected by road and easily accessible by both college and RTC buses. It has the unique advantage of being located in the heart of the city. It is situated 5 km from Nagole cross roads and 3 km from Hayathnagar. It is free from pollution and the hustle and bustle of the city. The experience at NITS is unique; studying here opens a door to a world of opportunities. The college has well-designed, adequately furnished, ventilated and spacious classrooms. All the laboratories of Engineering and Sciences are well equipped with latest and sophisticated gadgets.

Vision:

Our vision is to be one of the nations premier educational institution by achieving the highest order of excellence in teaching and research.

Mission:

To serve the state, the nation and the world by producing talented, broadly educated engineers.

To impart quality technical education for students coming from both rural and urban areas.

To strive for student's achievements and success, preparing them for life and leadership.

To enable the students develop their personality to meet the challenges in global environment.
