LIBRARY

Overview

Pallavi Engineering College Library plays a vital role in meeting the present and anticipated future needs of its scientific community by selecting, acquiring, disseminating appropriate scientific and technical information through different channels of communication. Library initially was setup in **2009**.

The college's central library is housed in a part of the block having a plinth area of early 400 Sq.m with a total seating capacity of 200. The Central library is stocked with 24060 books and also subscribed to 54 National and 30 International Journals and 18 Magazines. The active sections of the central library are computerized with 150 book issues and 150 active readers in the library per day.

Digital library is well equipped 20 systems with 1 server to access E-journals , in addition Multimedia **E-Learning Center**, **NPTEL** Facility (National Program on Technology Enhanced Learning) to access web & video lectures, subscription of e-sources and Institutional Membership of **DELNET**, **J-Gate**, **NDLI**, **e-Sodhusindhu**, **Swayam Prabha DTH Channel** and **ICT Academy** (Inter- library loan) for resource sharing are available in the library.

The Central Library collectively supports the teaching, research and extension programmes of the Institute. All students, faculty members of the Institute are entitled to make use of the Library facilities by taking library membership. The Library, besides having a huge collection of books on Engineering, Science & Humanities offers library services through its various divisions.

The Center Library is equipped with **New Gen Lib (NGL) Software Developed by Verus Solutions** Software Package which is an Integrated Library Management System (**ILMS**) with Barcode Scanner that supports all in-house operations of the library. The Central Library can be accessed through the On-line Public Access Catalogue (**OPAC**) within the campus premises.

Competitive Examinations Cell

The novel feature of PEC Library is the establishment of Competitive Examinations Cell with the main objective of providing reading material for student community preparing for various competitive examinations. The cell provides books and journals relating to Civil Services, Public Service Commission, **TOEFL, GRE, GMAT, GATE, UGC-NET** and other competitive examinations.
