National Library Week Celebrations Report

National Webinar

On

Role of Engineering College Libraries in Learning, Teaching and Research in Digital Era,

14th November 2022.

The participants include Chief patron Sri Malka Komaraiah garu,

Patron Dr.M.B Raju, Chief Guests Prof B. Satyanarayana, Prof Rama Shanker Dubey, Guest of Honour Prof. MD. Afzal Zargar & Resource persons Prof. P.M Naushad Ali & Prof. Sangita Gupta . Dr. M Suresh Babu was the convener of the webinar. The webinar was attended more than 200 participants including student, Library and Teacher community.

As a part of National Library week celebrations, Pallavi engineering college has conducted a national webinar with the eminent resource persons on emphasising the importance of library and information at educational institutions in the new digital era.

Prof. Dr.M.B Raju, Principal PEC congratulated the participants for using the latest digital technologies in library and information centers for all academic purposes. Prof M.B Raju sir advised to use all facilities available for academic excellence. Digital Libraries are knowledge centres which can share information in seconds which possible only with latest Generation of Internet facilities.

Prof. Md. Afzal Zargar has well reminded the role of library in teaching and learning Process. The internet usage has increased and mobile technology gave into our lives. Students should use all ICT Tools and other E-Learning methods. Other than conventional library functions, now libraries are digitalised and should cater all data needs of researchers in their study.

Prof. Satyanarayana , Vice –Chancellor of Central University of Karnataka held the major role of library up gradation in the development of the College & University education.

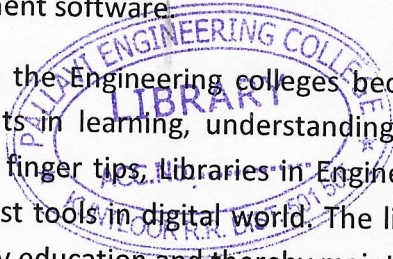

Prof. Rama Shanker Dubey sir in his inputs on webinar has suggested according to National Educational Policy 100% literacy is targeted. The library should support the curriculum, research developments, E-Journals & reference books. Library plays a major role in knowledge sharing with authentic information for publishing Quality paper presentation and research. E-Content development is encouraged. Library should provide lectures in videos/PPT/Library Management System.

PRINCIPAL
PALLAVI ENGINEERING COLLEGE
(Formerly Nagoie Institute of Technology & Science)
Kuntloor (V), Abdullapurmet (M)
Hyderabad, R.R.Dist-501503.

Prof. Naushad Ali has high lightened the role of librarian into a smart librarian. He or She should be an Administrator equipped with the latest changes in library sciences. Interdisciplinary roles should be observed as a facilitator for students & Teachers in providing research facilities. Swayam, NPTEL online courses should be encouraged through digital learning. Also a smart librarian should be able to crowd source with library Management software

Professor Sangita Gupta Madam said the Engineering colleges became the main players in this digital era in the helping the students in learning, understanding concepts. Teachers stand to benefit with information available on finger tips. Libraries in Engineering Colleges have ample of financial support in procuring the latest tools in digital world. The libraries in Engineering College play a vital role in upgrading the quality education and thereby maintaining its standards digitally. A good digital library is an additional asset for any educational institute for excellent academics.
