The Uniqueness of PEC

In today's competitive world, it's our responsibility to equip the students with necessary soft and core technical skills in order to make the students highly competitive and exceedingly successful. On the advent of Engineering course of B.Tech. The Freshman Department of the PEC has initiated Campus Recruitment Training & Student Counseling taking the utmost care of the budding potential engineers.

The CRT training is implemented from first year onwards to improve communication skills along with personality development. The freshman batch has practice of English Language learning through Activities. The Second year student's focus on Technical/ Core-Technical while Third Year students get introduced to various types of MNC's based on the student interested domain/platforms for placements. Students of III year II Semester would attend HR interviews for placements and succeed into the corporate work force full-fledged.

The CRT boosts confidence which is the core instrument of placements and make the student corporate ready. The CRT training would test the Attitude and Aptitude of the candidate and motivate to devour in emerging technologies. The PEC Group of Educational Institutions is glad to have successfully assisted students in achieving their goals.

Student counseling association is a new feather in the cap of PEC where the Freshman Department would take the whole responsibility of the student well-being in all aspects. The Department not only checks the Academic / Non-Academic which includes personal problems with the committee of Student counselors. The student counselors at PEC are compassionate and consider the case studies with empathy and discipline.

The main aim of the student counseling is make ease of student's academic career and provide a stress free learning situations. The student would be carefully observed & identified for any abnormal behavior and the case study would be initiated for his/her well-being. The counseling would be conducted in several sessions along with parents/ mentors/ committee members to check the better possible solution where the student is motivated with empathy and would focus on academics. The college would outsource or recommend the psychologist visit in extreme case.
